29-01-2019

‘Pariksha Pe Charcha 2.0 Pariksha Ki Baat, PM ke Saath’ was a great motivating experience for both students as well as teachers. We benefited a lot from the programme. The leader of our country directly comes to classrooms and involves in academic problems of students. The initiation was great. Thanks a lot. Prime Minister finds time to deal with the problems of grooming and young India.

Sree Narayana Training College, Nedunganda, Thiruvananthapuram, Kerala has participated in the great event. We had in our college today only one batch of students of total strength 100 and the second batch of students were undergoing their practice teaching in various schools. Students were gathered in different classes with concerned class teachers and watched the programme using laptops. Even in the midst of severe power- supply- failure, we could watch the programme using laptops. Out of 100 students of the present batch, 97 watched the programme today. 10 teachers also attended the programme with the Principal, Dr.S.Rany.

Students evaluated the programme as a great motivating one and which benefited a lot for them for their future endeavors as teachers.

Dr.S.Rany,
